12" High
Bronze

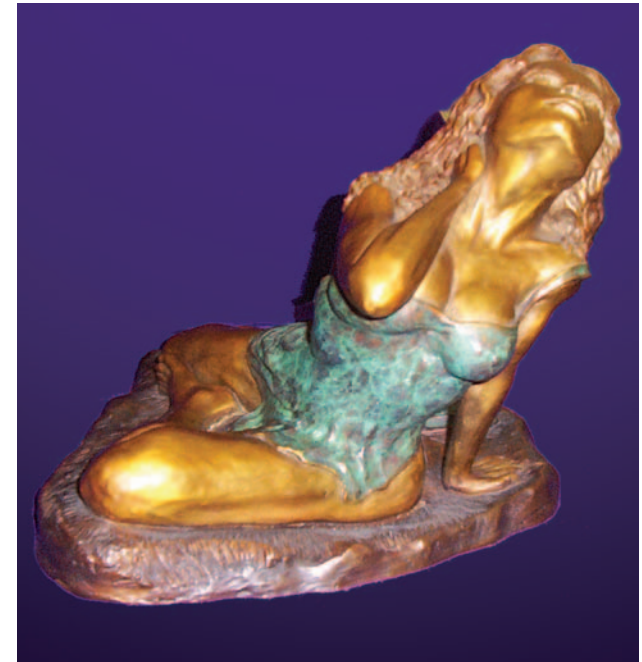

Michael De Medina, sculptor, jeweler, and craftsman, has designed and produced sculptures and gifts for corporations such as GM, Max Factor, Sperry Rand, Phillip Morris, AT&T, 20th Century Insurance CO., Mattel Toys and Fluor Corp. His pieces range from jewelry in precious metals to architectural sculptures, to life-size bronze portraits. Michael was commissioned to produce the 14k gold pins that were worn by President Reagan and Chairman Gorbachev at the 1987 Washington, D.C. Summit.

The artist has also designed and created sculptures and movie props for such films as *Ghostbusters*, *Dead Ringers*, and countless T.V. commercials. For more information and samples of artistry, go to www.michaeldemedina.com.
